Canva Free vs. Canva Pro

CANVA IS A "FREEMIUM" SERVICE

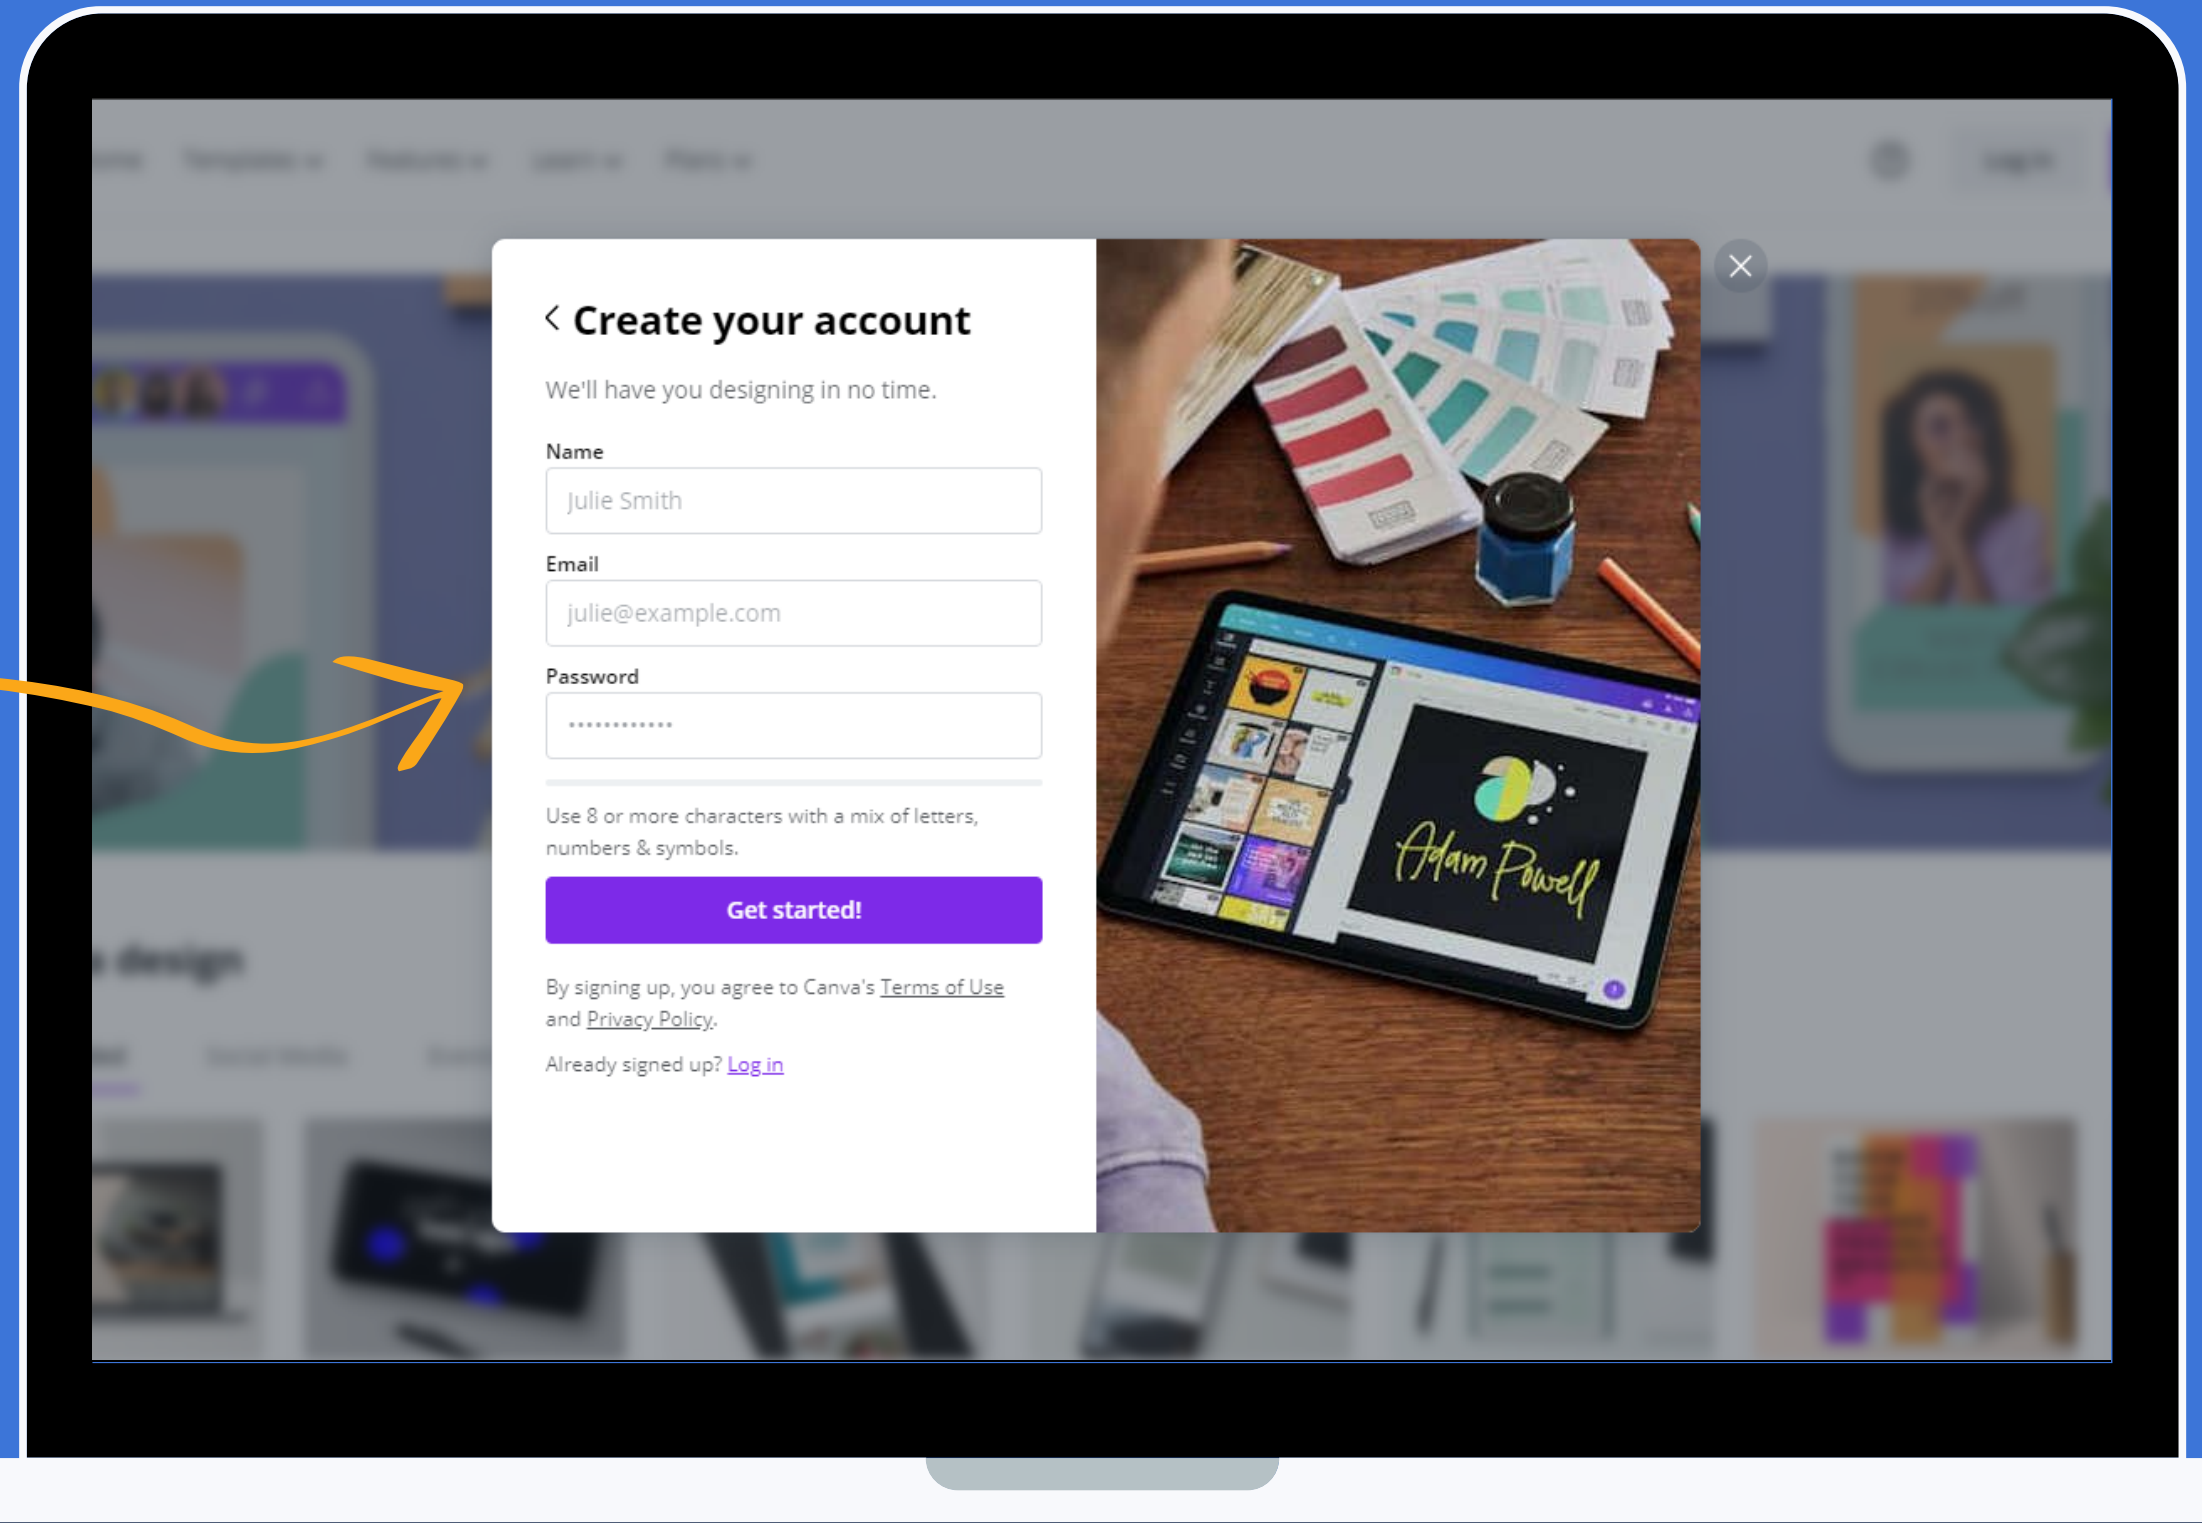

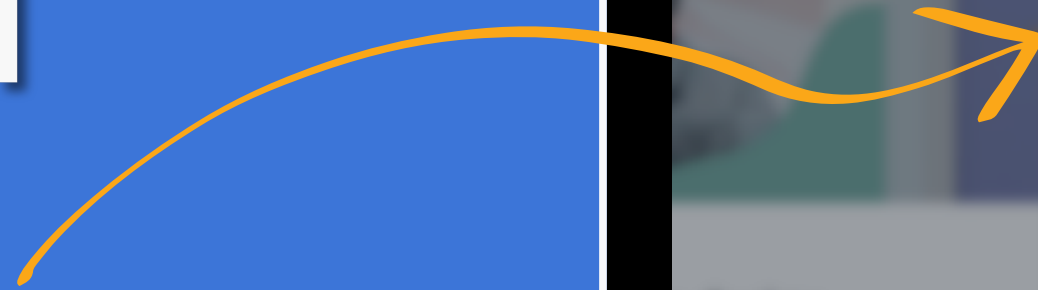

While the free version has many great features, there are several helpful tools only available in the paid version.

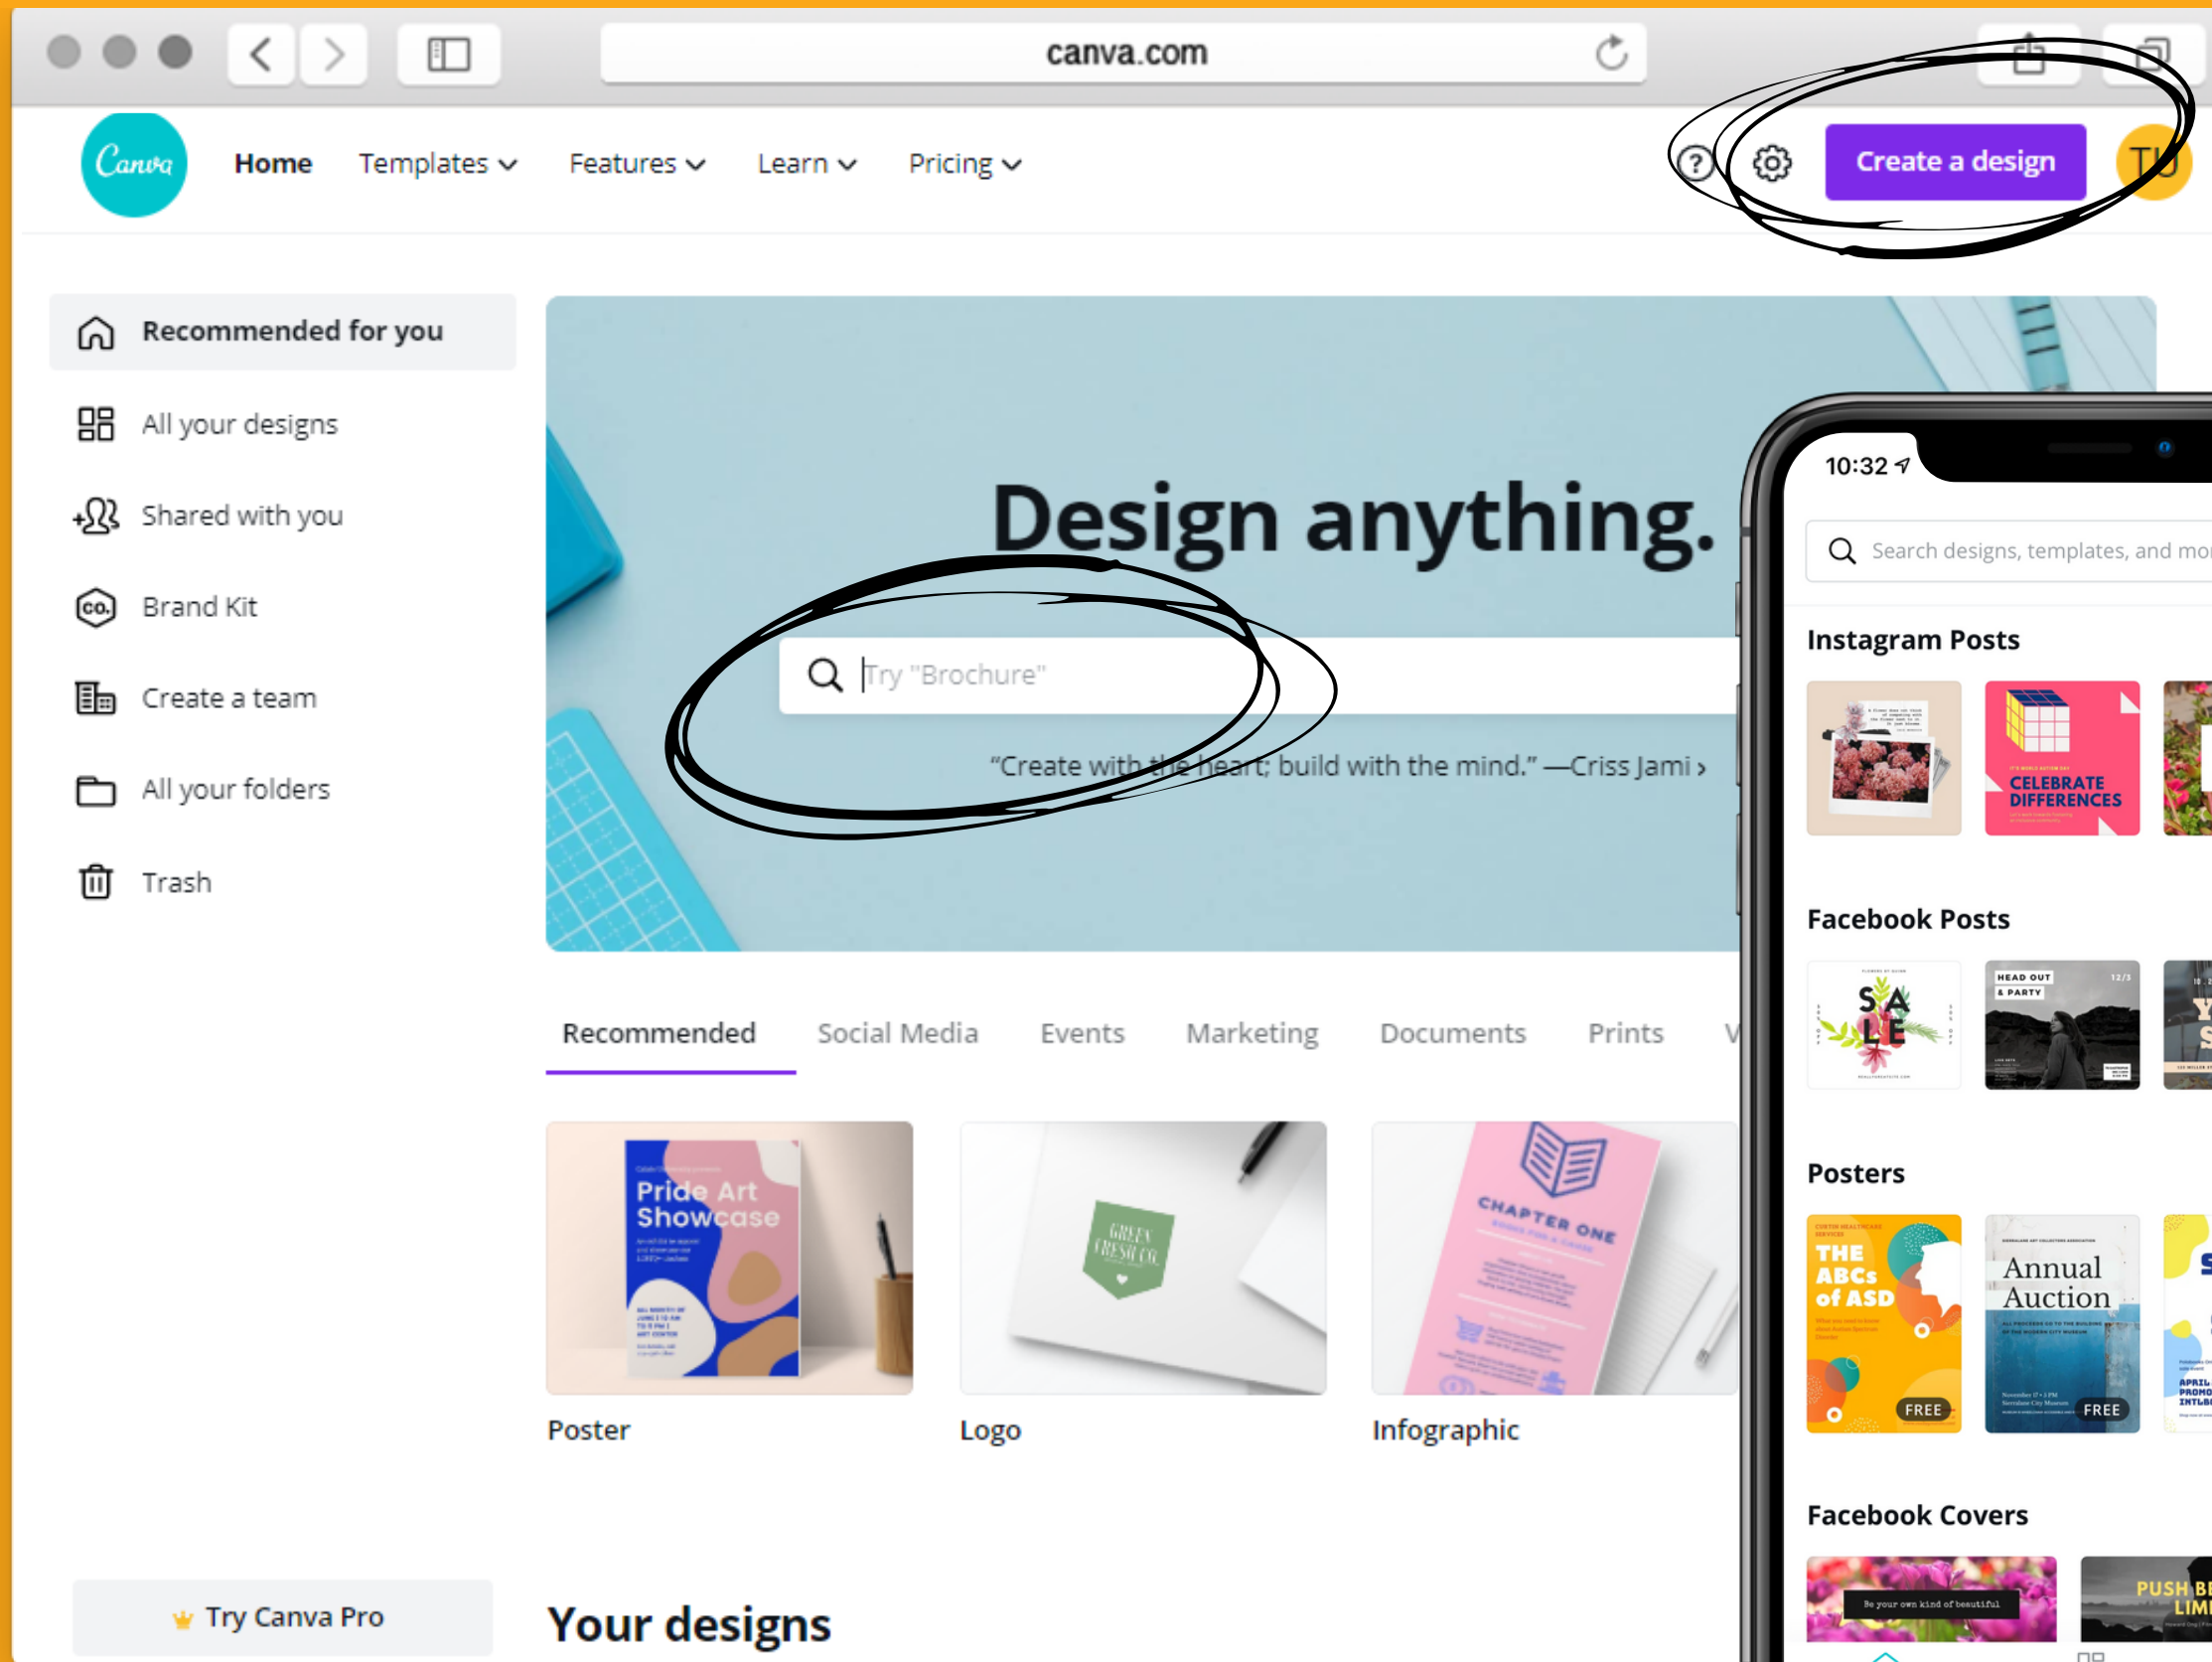

My advice? Test drive the free version of Canva first to see what you think.

How do I sign up?

Enter your name, email, and create a password.

No credit card required.

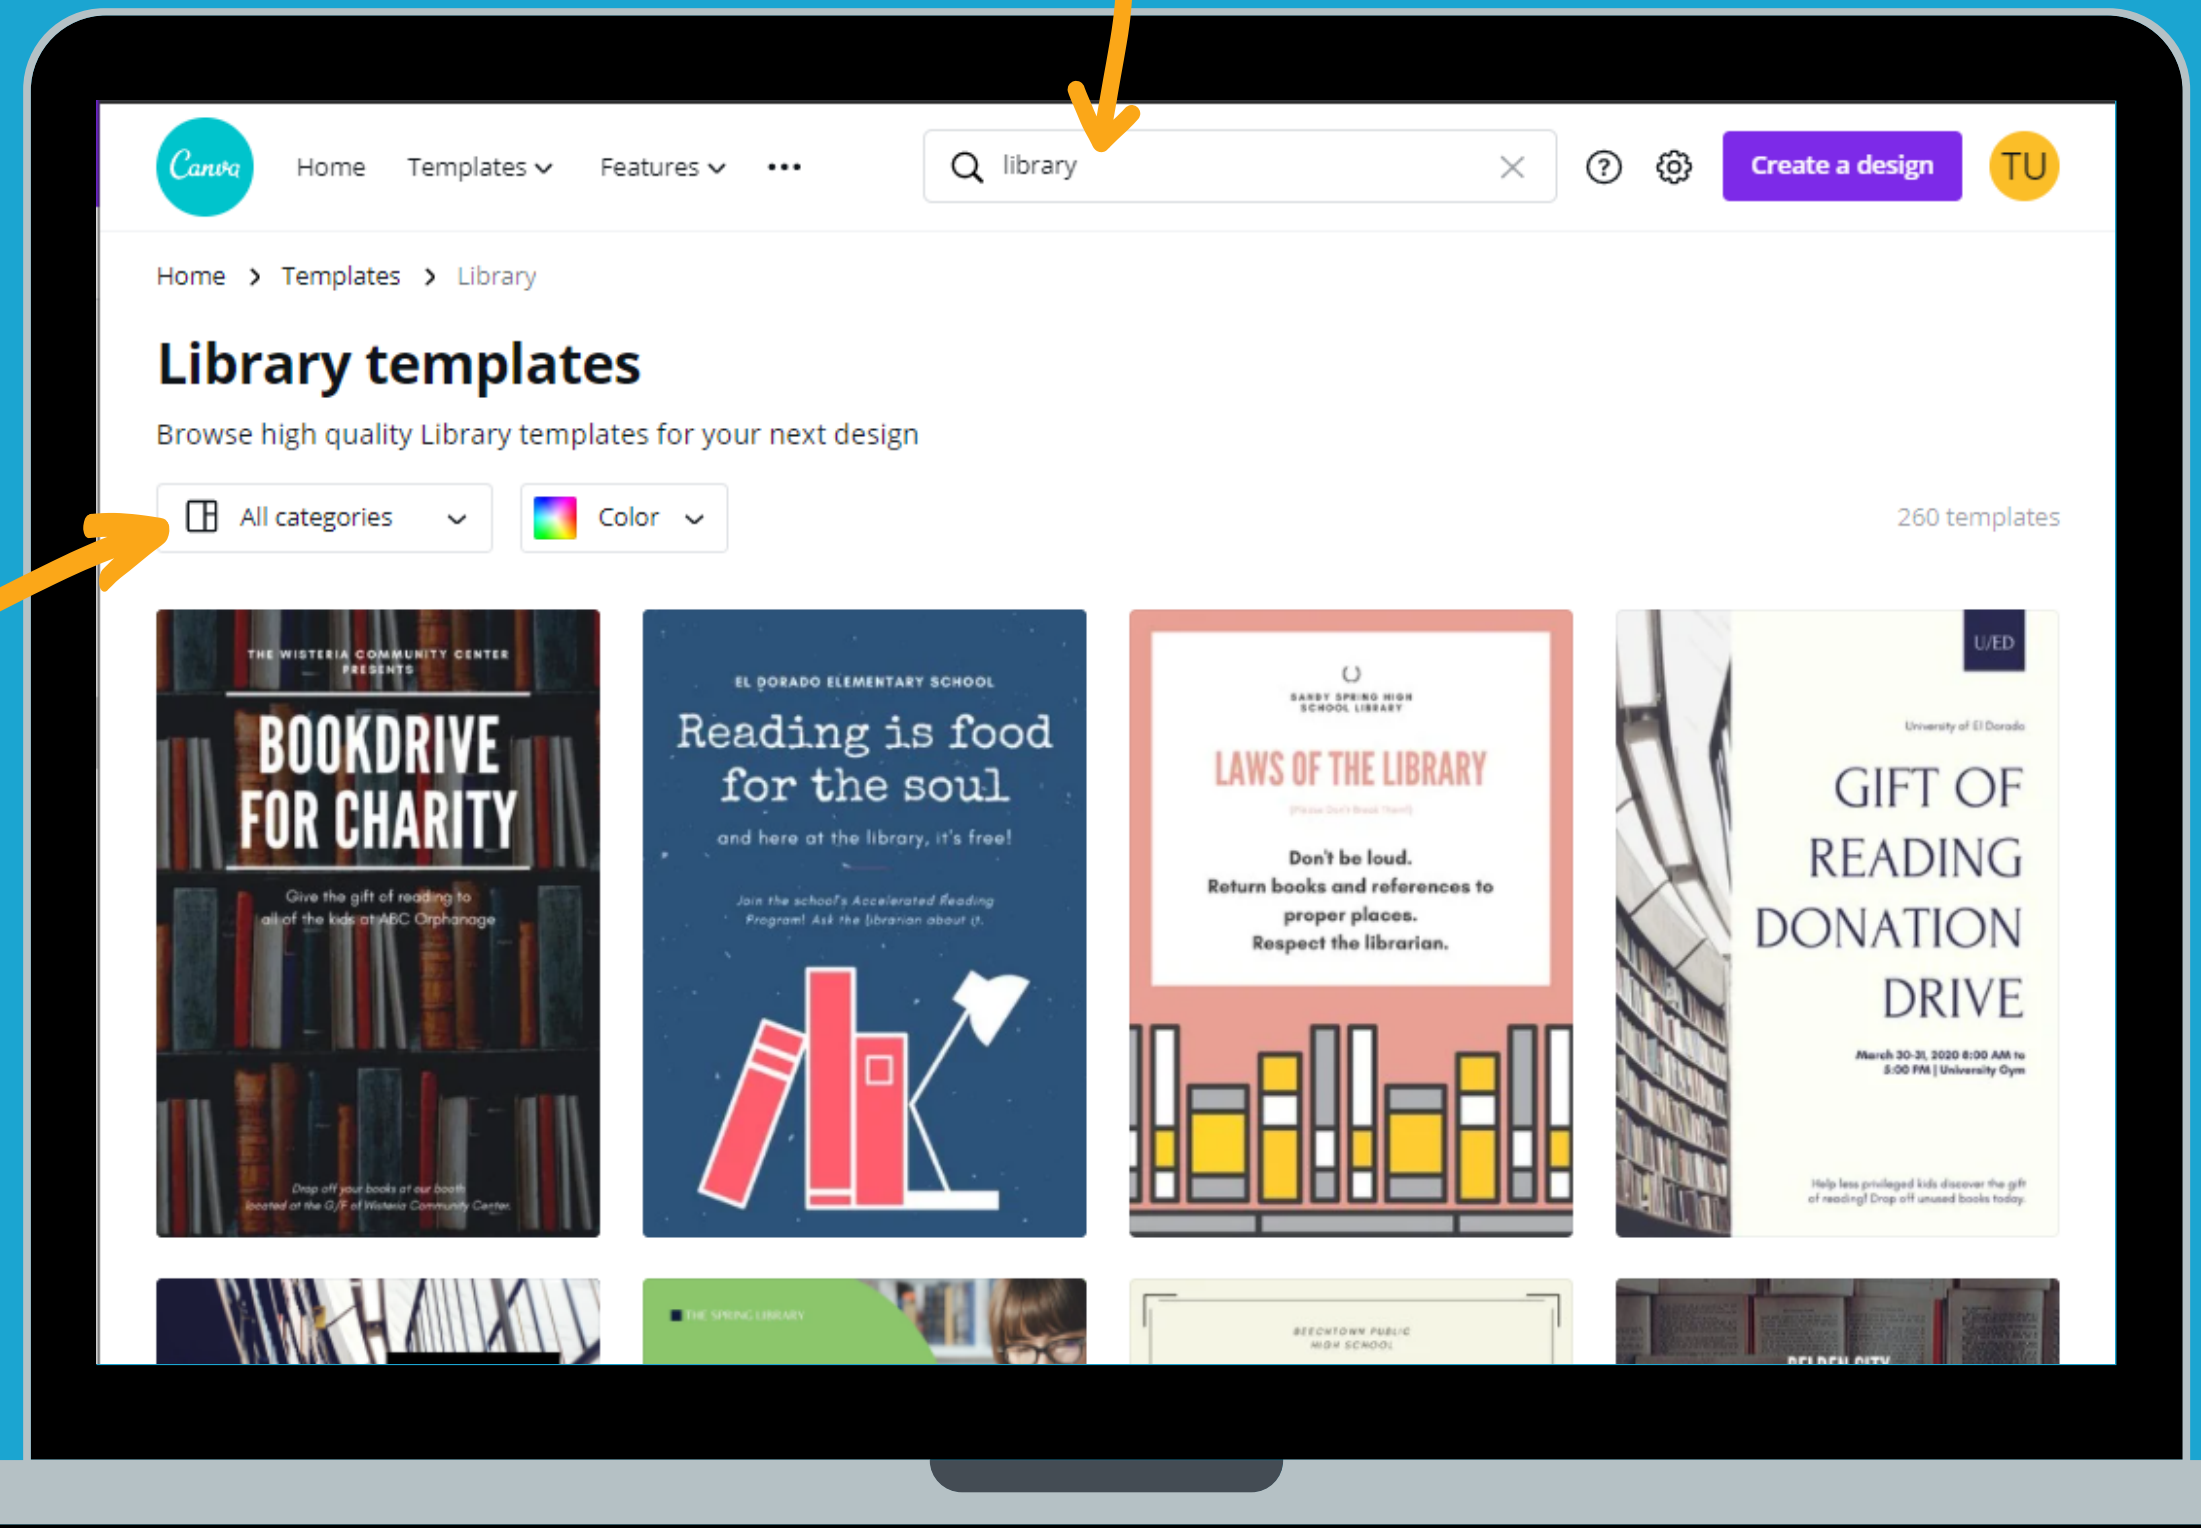

Where do I start?

Search for templates or create your own designs.

Designing on the go?
Use the Canva app.

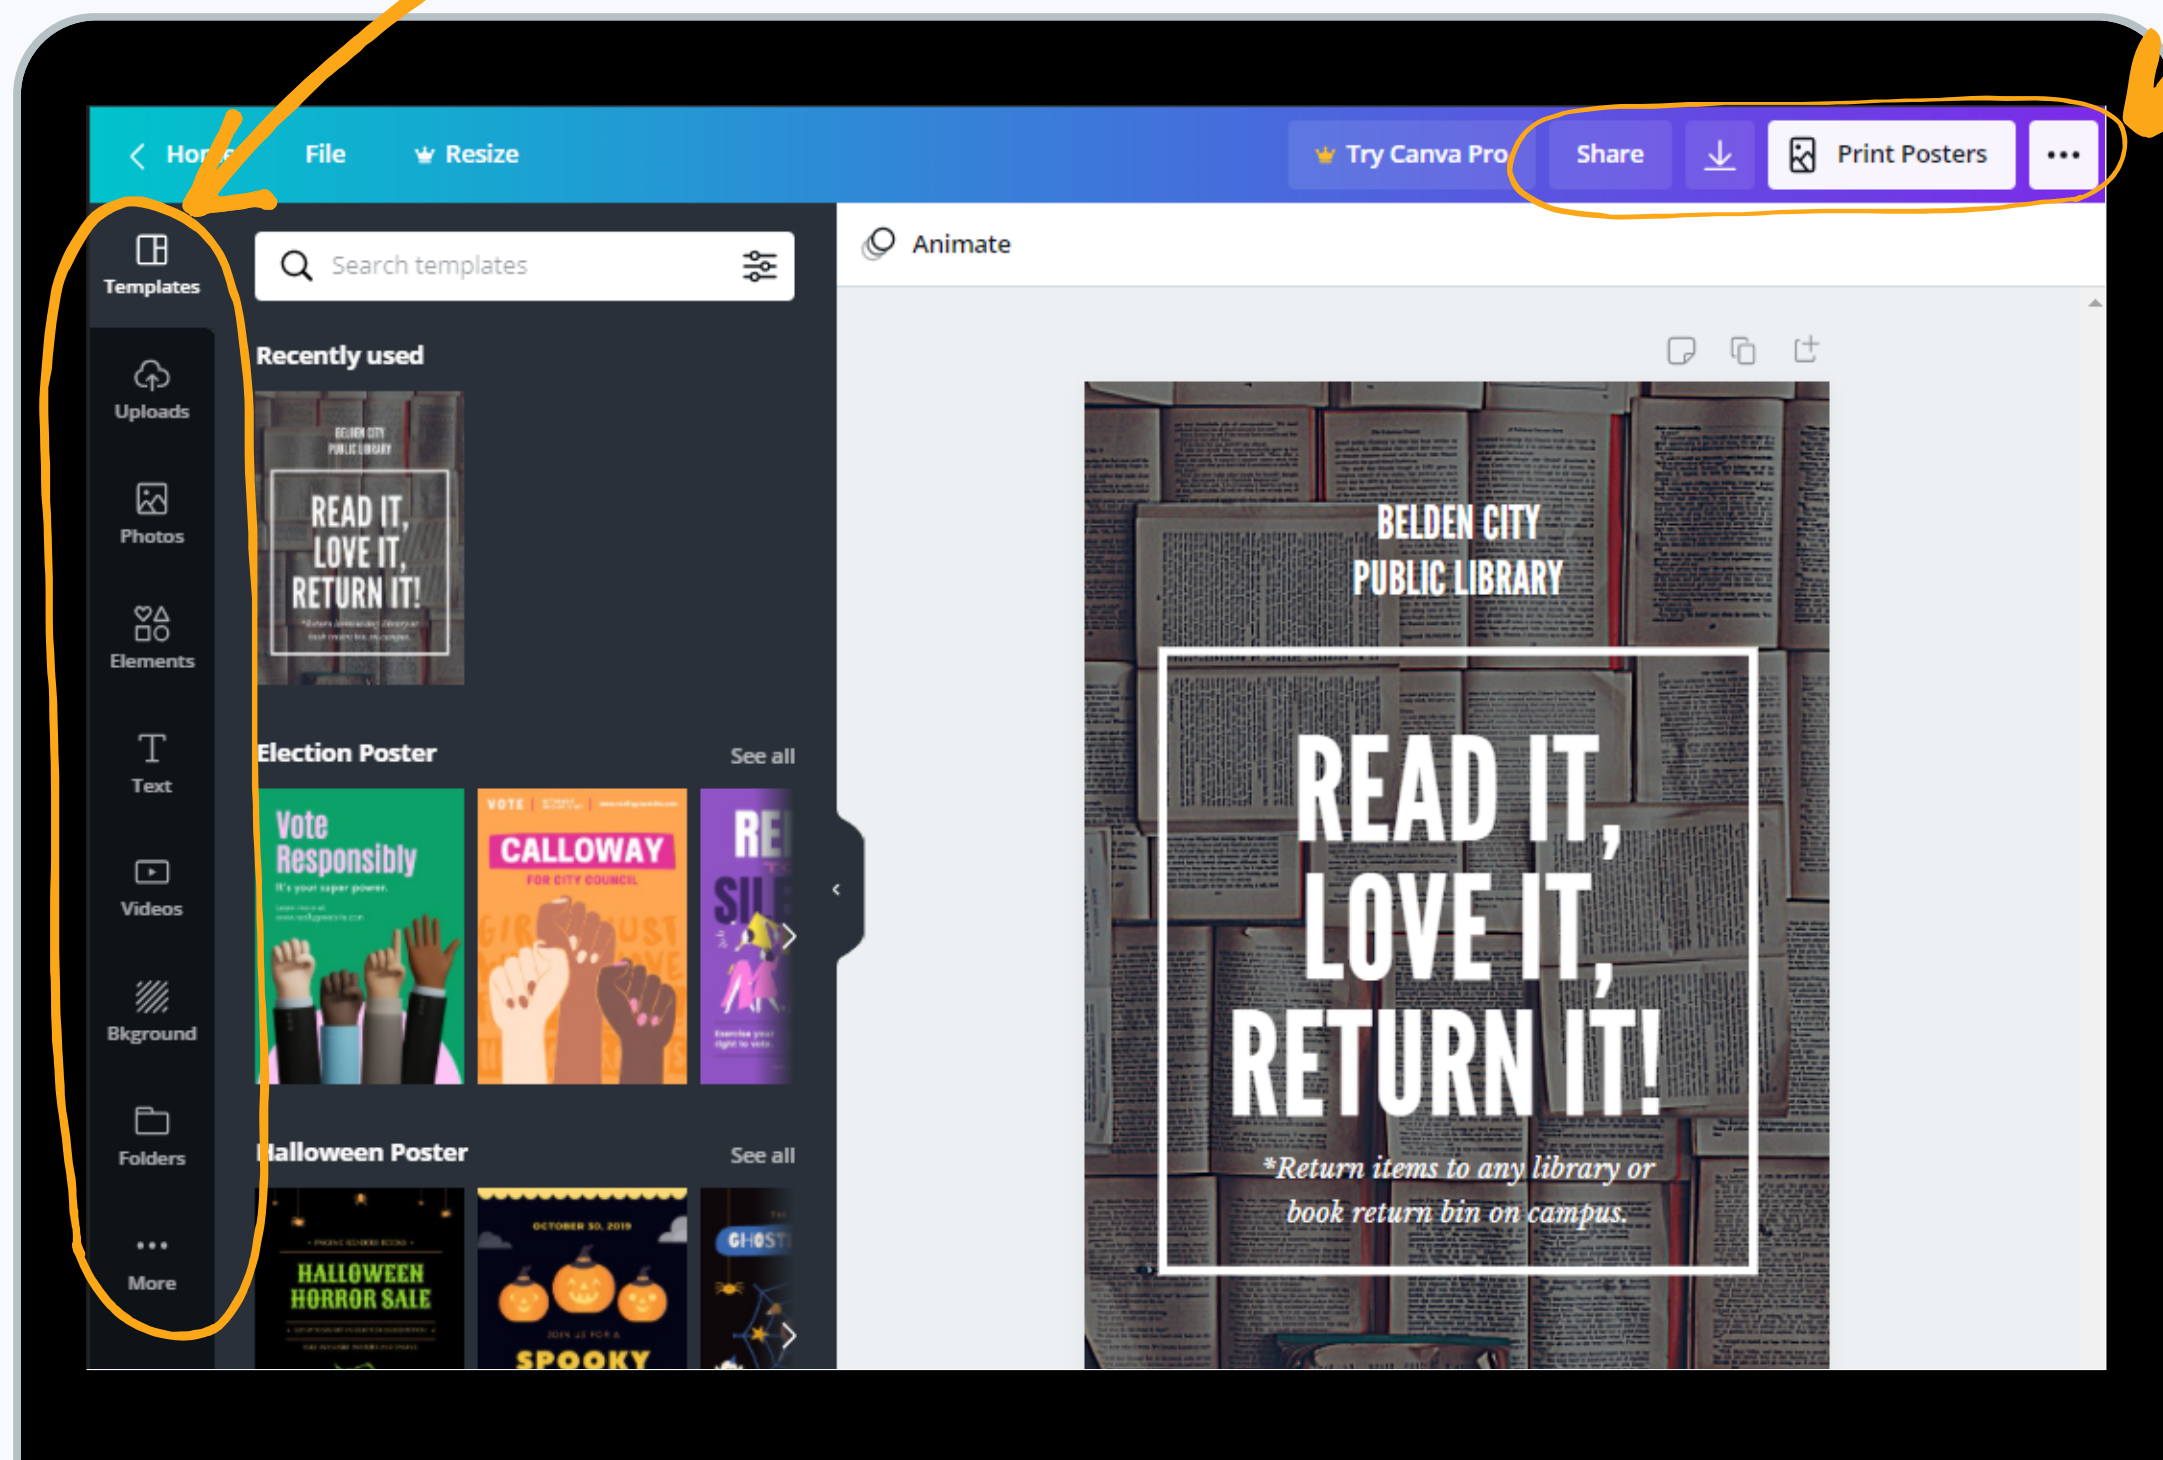

Using templates

All templates are editable.
Narrow down by keyword,
category, or color.

Add to or edit your design

(Finished? Download or share your design)

Navigating your design

You can edit all elements of your design, including photos, shapes, fonts, colors, and more.

Let's try it out

WWW.CANVA.COM

Canva Pro vs. Free

You can add folders, branding kits, and fonts in Canva Pro.

You can only resize images in Canva Pro, not the free version.

Look for a crown on images, artwork, and videos - they are Canva Pro elements.
