

# Finding a Trusted Guide

1. Is the attorney's primary focus on estate planning?
2. Does the attorney work with your other advisors?
3. Does the attorney charge a flat fee and state clearly what you are getting?
4. Does the attorney have staff members to help you if they are busy or on vacation?
5. Does the attorney have a process to keep your plan up to date?
6. Can you see yourself working closely with that attorney on the most important things in your life for the most important people in your life?
